In November of 2004, the residents of Sheboygan overwhelmingly approved a \$32 million referendum for the construction of a new elementary school and new fieldhouses at both North High School and South High School. Construction of these new state-of-the-art fieldhouses is underway, and the Sheboygan Public Education Foundation is proud to be part of this exciting endeavor.

All funds raised will be directed to the Sheboygan Public Education Foundation, a 501(c)(3) Corporation. Your gifts, given through the Education Foundation, will enhance opportunities for students in classrooms throughout the Sheboygan Area School District. Every donation to this program provides a legacy that will preserve the excellence of our local school system.

Please consider sharing this once-in-a-lifetime offer with your friends, family, business or civic group. Your support of Sheboygan Public Education will leave a lasting mark on the community.
