

ON SATURDAY, JUNE 3rd, 2017

the Sheboygan Public Education Foundation will host a 1 mile grade school run/walk as well as a 5K run/walk. The "Diploma Dash" will commemorate educational achievement in Sheboygan as the run/walk will start and end at Vollrath Park, the historic site of the Sheboygan Area School District's Graduation.

Community members, businesses, students, faculty, friends, family and run/walkers join us at this event celebrating not only the Class of 2017 but Sheboygan and its pursuit of excellence in education. Get a team together if you like. **Kick off this festive weekend with some fun for a great cause.**

The Sheboygan Public Education Foundation is a 501(c)3 charitable organization that provides private sector support to our Sheboygan public schools. In our 14th year, we realize that we do make a difference in our schools, making our already great school system even better. To date, we have given over \$880,000 to fund unique projects and technology that would otherwise have been unavailable. We have also provided much needed humanitarian support through our donation of school supplies to all of our public schools. We are truly thankful for the generosity of our community. We appreciate your continued support.

All proceeds from this event will benefit the Sheboygan Public Education Foundation in our mission to support educational programming in our Sheboygan public schools.
